

Consultant: Women and Rivers Video Editor

Effective: November 15-December 20, 2021

ROLE PURPOSE

International Rivers (IR) works to protect rivers and the rights of communities that depend on them. Working with an international network of dam-affected people, grassroots organizations, environmentalists, human rights advocates, and others who are committed to stopping destructive river projects and promoting better options. IR has expertise in big dams, energy and water policy, climate change, and international financial institutions. We support partner organizations and dam-affected people by providing advice, training, and technical assistance, and advocating on their behalf with governments, banks, companies, and international agencies.

The successful applicant will support International Rivers in creating a compilation video of our work on Women and Rivers over the past 4 years.
