

Consultant: English-Nepali translator

Effective Period: Mid Nov 2021 – End Nov 2021

ROLE PURPOSE

International Rivers (IR) works to protect rivers and the rights of communities that depend on them. Working with an international network of dam-affected people, grassroots organizations, environmentalists, human rights advocates, and others who are committed to stopping destructive river projects and promoting better options. IR has expertise in big dams, energy and water policy, climate change, and international financial institutions. We support partner organizations and dam-affected people by providing advice, training, and technical assistance, and advocating on their behalf with governments, banks, companies, and international agencies.

The successful applicant will support International Rivers on 2 project items, which will include translations from English to Nepali of the Community Based Water Governance Curriculum and a Community Guide to river protections.
